You can report all shipments from
August 2014 - July 2015.

The last date you can access your
tonnage online is 31 August 2015.

If you need assistance entering, correcting or deleting an entry - the PAIMA office can help!

If you have misplaced your secure login information to enter tonnage on the PAIMA website, please contact Michelle St.Cyr at michelle@paimamovers.com.

FMCSA denies request for 14-hour exemptions from IAM & AMSA

The Federal Motor Carrier Safety Administration has denied an application by two moving and storage associations for an exemption from the 14-hour on duty rule on the occasions drivers are delayed at a residence beyond the 14th hour and need to move their vehicle to a safe location for overnight parking. The American Moving & Storage Association (AMSA) and the International Association of Movers (IAM) had asked for the exemption in separate applications.

SSL's prefer Panama Canal over Suez Canal for Asia to East Coast US routes

Most of the cargo from Asia to the East Coast of USA passed through Panama Canal, accounting 51 percent from the container traffic in June 2015, compared to the lowest level reached in February of 44 percent. These container lines again prefer the expanded Panama Canal instead of Suez Canal. The advantage of Panama Canal against Suez Canal is the shorter transport distances and low prices for bunker fuel, despite of the restriction of ship size of container class Panamax.
