PAIMA CONVENTION 2011

In order to accommodate our members better, this year PAIMA will *not* have a separate room block for the hotel. Hotel reservations must be made through the IAM room reservations system. To receive discounted room rates, you must confirm the group name **International Association of Movers**.

PAIMA's 28th Annual Convention will take place on September 9-11 and the IAM 49th Annual Meeting will be held immediately afterward, on September 12-15 in picturesque Denver, Colorado. This year IAM has booked rooms in two neighboring Hyatt hotels—the Hyatt Regency and the Grand Hyatt, which are only two blocks apart. The Grand Hyatt Hotel is where PAIMA will be holding all of its events, as well as the **WILD WILD WEST PARTY**, which will be open to early registrants for the IAM convention at a nominal fee.

NEWS FROM OUR MEMBERS

MERCOVAN ARGENTINA SRL informs us that the Argentinean government continues to increase controls on all shipments departing and arriving at the port of Buenos Aires, not limiting these controls to just exports as we advised in 2010. All shipments must either be scanned or searched by anti-narcotics dogs before they are released. This new regulations on imports will cause delays and additional costs. The expected extra charges for shipments imported will be as follows:

- * Shipments LCL: US\$600.00 minimum
- * Shipments 1x20: US\$800.00
- * Shipments 1x40: US\$1,000.00
- * Shipments 1x40 HC: US\$1,200.00
