Use it or lose it!

Here's your first PAIMA pocket membership book for some while. PAIMA is really looking good these days as membership continues to climb despite adverse trading conditions and we are able to raise our profile.

Obviously, it's not easy to build up an association like ours but thanks to the remarkable support we enjoy from so many quarters, recognition of PAIMA continues to grow throughout the world.

New blood is always good for an association, encouraging new ideas and concepts, allowing greater investment in services and enhancing the community spirit which is the backbone of such organisations.

We are quietly confident that the new membership book will take us another step on the way to further growth. With continued support and a large slice of luck, hopefully next year's membership book will be even bigger!

Sherry Williams
Executive Director.
