

PAIMA POST - Volume 109 April 2021

BE ON THE LOOKOUT FOR SOME EXCITING
"TECHNOLOGY NEWS" FOR ALL OUR PAIMA
MEMBERS AND INVITED GUESTS

The PAIMA office and the PAIMA Board of Directors have been working hard to identify new cutting edge technology tools that will position PAIMA as a visionary Association for decades to come. Be on the lookout for more news on this topic in the next 4-6 weeks. We are excited about the new tools that will be available to all our PAIMA Members.

The PAIMA Board of Directors along with the PAIMA office paid close attention to the recommendations and suggestions that were presented during and after our first virtual Zoom call with PAIMA Members at the end of February. We have been working hard in identifying specific value-added tools that check off almost all the "bells & whistles" that PAIMA Members had requested during the virtual call sessions. A big thank you to our PAIMA Members for being involved and proactive with so many ideas and suggestions.

Be on the lookout for PAIMA "NEWSFLASH" announcements with more information on this subject.

REPORTS FROM OUR PAIMA MEMBERS IS THAT THE BUSY SEASON HAS STARTED AND THEY ARE QUITE OCCUPIED!

Certainly welcome news, business is starting to pick up a bit for many of our PAIMA Members as spring and the busy summer moving season lays ahead. With that said, it is of course important to make sure that a reputable, professional company is used for any move. PAIMA of course has very strict vetting procedures to ensure that all our PAIMA Members are quality, financially stable and of course, highly reputable companies.

Some folks unfortunately missed the memo on this important detail, thought it was a good idea to tackle the move on their own

or perhaps hire a "cheaper solution"? Yes, that is NOT a good idea or the best path to take. Some examples below of the route NOT to take! Talk about liability exposure?!

For a quality moving company and trusted industry experts, always check with our PAIMA Members around the world! They can be found on our "Company Listing" page below on our PAIMA website.

Social distancing guidelines will be in place if enough participants can attend the convention this year!

Masks will be required at all times during our General Assembly.

THINGS TO DO WHILE IN OR AROUND ORLANDO IN 2021:

Chocolate Museum & Café -

(picture on top)

The Chocolate Museum tour starts off with a short presentation which is followed with a trip to the tropical rainforest to learn a little more about cacao. The tour then takes you back in time to find out the origins of chocolate and its rich (no pun intended) history around the world.

Next, you enter the sculpture area, with 25 solid chocolate sculptures of some of the world's most recognizable landmarks. You will also learn the history of chocolate and see some antique machinery used to make chocolate.

The tour then takes you into the tasting room to sample some of the finest chocolates around the world.

Tours are guided and take approximately 45 minutes.

For more information on this specific suggestion, please feel free to check out their website.

The "The Chocolate Museum" is located at:

11701 International Drive Suite 400, Orlando, FL, United States 32821

PAIMA OFFICE NEWS:

TONNAGE VERIFICATION HAS STARTED AND CONTINUES VIA EMAIL

A reminder to all our PAIMA Members that we have officially started our "Tonnage Verification" process. Our objective is to make sure that the tonnage entered into the tonnage portal has been reported accurately (this is the main intent of the tonnage verification process). Sometimes we find a typo or that kilos are entered versus pounds (as required) which of course will provide inaccurate data and skew the final results. We appreciate your cooperation which helps us ensure that the numbers being reported are being reported correctly and accurantly.

A big round of applause for all our Members that have already sent in the requested information! Thank you for your prompt response times.

2021 JUAN PERALTA ECOLOGY AWARD

Here is a little history on the coveted Juan Peralta Ecology
Award. In memory of our distinguished colleague Juan Peralta,
PAIMA created the "Juan Peralta Ecology Award". The Award,
presented annually during the General Assembly at our
convention, represents PAIMA's commitment to ecological
awareness and environmental responsibility. The PAIMA Member
that best exhibits these qualities through education, commitment
and environmentally-sound business practices;
is awarded this prestigious honor.

The Ecology Award consists of a trophy with the winning company's name engraved upon it, and an exclusive feature article in our PAIMA Report Magazine. The Awards main purpose is to recognize that PAIMA Member who exceeds his colleagues' level of commitment in preserving and protecting the environment. It is also the goal of the Ecology Award to encourage other PAIMA Members, veterans and new members

alike, to reach for a higher standard of awareness in protecting the environment. Furthermore, being a member of an Association essentially means being part of a learning and sharing community.

The Ecology Award helps to engender a helpful, compassionate industry through which its components - you, the moving company - are able to share the measures and procedures with your colleagues and together make a lasting contribution to help save planet Earth.

Please remember we encourage past years submissions that were not selected, to please update their application and resend it to the PAIMA office for review and consideration by our Board of Directors.

If there are any questions at all, please contact the PAIMA office for expeditious clarification.
