

PAIMA POST - VOLUME 89

August 2019

PAIMA "ONE-TO ONE" NETWORKING CENTRAL UPDATE:

The PAIMA office is quite happy to report that we will be launching the electronic meeting scheduler technology in the next week.

We have been busy tweaking the meeting scheduler platform with a new technology provider that will give us a much better electronic scheduling solution. Be on the lookout for more announcements once the scheduler is open so you can book your 20 minute meetings (9 total) with other attending PAIMA Members and Prospective Members this year. More to follow soon so be on the lookout for more information.

The PAIMA "One-To-One" Networking session will take place on October 2nd, 2019 after our General Assembly.

THINGS TO DO WHILE IN CHICAGO:

**The "McCormick Bridgehouse & Chicago River Museum" -
Chicago (above).**

The Bridgehouse Museum stands as the cultural anchor of the new Chicago Riverwalk area and welcomes tens of thousands of visitors every summer and throughout the year.

Museum exhibits celebrate Chicago's river and "world-famous movable bridges". Visitors learn about the historical importance of the Chicago River and why it is imperative to protect the river. Visitors also learn how to participate in the river's renaissance efforts.

It is located at: 99 Chicago Riverwalk, Chicago, IL 60601 .

It is another highly recommended stop during your time in Chicago.

The PAIMA office will provide monthly ideas of things to do while in Chicago so you can get the most out of your trip to the PAIMA & IAM Conventions.
