## THINGS TO DO WHILE IN SAN DIEGO IN 2020:

### "CABRILLO NATIONAL MONUMENT" - (above)

The "Cabrillo National Monument" is located at the southern tip of the Point Loma Peninsula in San Diego. It commemorates the landing of Juan Rodríguez Cabrillo at San Diego Bay on September 28, 1542. This event marked the first time a European expedition had set foot on what later became the West Coast of the United States. The site was designated as California Historical Landmark #56 in 1932. The views from the monument are truly breathtaking.

The Cabrillo National Monument is located at:  
1800 Cabrillo Memorial Dr, San Diego, CA 92106

Another highly recommended stop during  
your time in San Diego next year.

**SO WE CAN HEAR FROM YOU**

**As part of our internal improvement initiatives, we are happy to report that our PAIMA Regional Directors have accepted some additional "duties & responsibilities" related to their involvement as PAIMA Regional Directors.**

**One of the tasks on their list is to reach out to convention attending and non-attending Members so the PAIMA office and our Board of Directors can hear from you, our Members. Feedback on last years convention, suggestions for next years convention, other talking points; all gladly accepted. The end game of course is to see how we can improve and do better. Please be on the look out for a call from our Regional Directors.**

**We are confident that they will also be encouraging participation in our Tonnage Program. Participation is on the rise but there is room for improvement so do not be surprised if the tonnage program comes up.**
