## **REMEMBERING WHERE WE CAME FROM AND HOW FAR WE HAVE COME**

Historical photographs often make me think of how things used to be not that long ago and how far we have come in a "relatively short" period of time in human history. As an example of this, we thank one of our long time PAIMA Members for sending in the photograph below circa 1910. Despite today's challenges due to the COVID-19 pandemic, we will get through these difficult times.

The PAIMA office thanks Past PAIMA President - Mr. Chip Withers from

"Withers Worldwide" for this photograph of his Great Grandfather - (Mr. John E. Withers). Please share your historical photos with the PAIMA office. Send them to the PAIMA office via the link below with a brief description of the content.

We encourage our PAIMA Members to share vintage photos with us so we can share them with everyone in our PAIMA POST Newsletter and our other PAIMA Social Media platforms.

**HYATT REGENCY  
ORLANDO CONVENTION  
CENTER**

## THINGS TO DO WHILE IN ORLANDO IN 2021:

### "Kennedy Space Center Visitors Complex" - (picture on top)

The Kennedy Space Center Visitor Complex is the visitor center at NASA's Kennedy Space Center in Florida about one hour east of Orlando. It features exhibits and displays, historic spacecraft and memorabilia, shows, two IMAX theaters, and a range of bus tours of the spaceport.

The "Space Shuttle Atlantis" exhibit contains the Atlantis orbiter and the Shuttle Launch Experience, a simulated ride into space which is highly recommended. The center also provides astronaut training experiences, including a multi-axial chair and Mars Base simulator. The visitor complex also has daily presentations from a veteran NASA astronaut. A bus tour, included with admission, encompasses the separate Apollo/Saturn V Center.

For more information on current exhibitions, please feel free to check out their website.

The "Kennedy Space Center" is located at:

Space Commerce Way,

We admire and applaud our Member base for being creative vis-a-vis their diversification efforts before and during the pandemic and for their proactive safety measures during the start of the COVID-19 crisis, to date. We also thank our PAIMA Members for supporting each other during difficult times. PAIMA is certainly a unique Association and that is due to YOU, our PAIMA family Members!

## **2021 JUAN PERALTA ECOLOGY AWARD**

Why is our Juan Peralta Ecology Award so unique?

Here is a little history on the coveted award. In memory of our distinguished colleague Juan Peralta, PAIMA created the "Juan Peralta Ecology Award". The Award, presented annually during the General Assembly at our convention, represents PAIMA's commitment to ecological awareness and environmental responsibility. The PAIMA Member that best exhibits these qualities through education, commitment and environmentally-sound business practices; is awarded this prestigious honor.

The Ecology Award consists of a trophy with the winning company's name engraved upon it, and an exclusive feature article in our PAIMA Report Magazine. The Awards main purpose is to recognize that PAIMA Member who exceeds his colleagues' level of commitment in preserving and protecting the environment. It is also the goal of the Ecology Award to encourage other PAIMA Members, veterans and new members alike, to reach for a higher standard of awareness in protecting the environment. Furthermore, being a member of an Association essentially means being

part of a learning and sharing community.

The Ecology Award helps to engender a helpful, compassionate industry through which its components - you, the moving company - are able to share the measures and procedures with your colleagues and together make a lasting contribution to help save planet Earth.

Please remember we encourage past years submissions that were not selected, to please update their application and resend it to the PAIMA office for review and consideration by our Board of Directors.

If there are any questions at all, please contact the PAIMA office for expeditious clarification.
