THINGS TO DO WHILE IN OR AROUND ATLANTA IN 2022:

The World of Coca-Cola Museum (picture on top)

The World of Coca-Cola is a museum, located within walking distance of the Hyatt in Atlanta, showcasing the rather interesting history of the Coca-Cola Company. The 20-acre (81,000 m²) complex opened to the public on May 24, 2007, relocating from and replacing the original exhibit, which was founded in 1990 in "Underground Atlanta".

There apparently are various similar World of Coca-Cola stores in locations such as Las Vegas and Disney Springs.

The museum was inspired to serve as a continuation of Coca-Cola history dating back to 1886. During this time, Dr. John S. Pemberton, a pharmacist from Atlanta, created a unique soft drink with a specific flavor syrup that was highly popular. Frank M. Robinson, his partner and bookkeeper is responsible for the name of Coca-Cola as well as the well-known design of the script used to create the iconic "Coca Cola" logo.

"The World of Coca-Cola Museum" is located at:

121 Baker St NW, Atlanta, GA
30313

ELECTION WATCH

2022

ELECTION YEAR 2022: **PAIMA BOARD OF DIRECTORS**

We certainly thank our current PAIMA Board of Directors for their time and dedication, especially these last two "pandemic years" which have been a true test to all humanity. As per current PAIMA By-Laws, we traditionally hold bi-yearly elections for our PAIMA Board of Directors and as we have reported, this was not able to take place in 2020 nor 2021 due to the COVID-19 pandemic.

We are optimistic that we will be able to hold our PAIMA General Assembly in 2022 which will enable us to finally hold our PAIMA bi-yearly elections for our PAIMA Board of Directors. The exact verbiage as per our PAIMA By-Laws are as follows:

Nomination and Candidacy. Those Members of the General Assembly who are entitled and eligible to vote may nominate up to three (3) qualified individuals representing three (3) different Members, for election to the Board of Directors and all nominations shall be provided to the Executive Director no less than sixty (60) days prior to the scheduled Annual Meeting at which elections are to be held (the "Election Meeting"). Included as part of such nomination, shall be the nomination of a President and Vice President of the Association. Only those individuals who are an owner, partner and/or executive of an Active Member company shall be qualified and eligible to be nominated as a candidate for the Board of Directors and to serve in such capacity. Only Active Members shall be qualified and eligible to be nominated as a candidate for President of the Association and to serve in such capacity. No Member may have more than one (1) representative elected to the Board of Directors during any given term. The Executive Director shall notify, in writing, all qualified individuals who are nominated by at least two (2) Members who are entitled and eligible to vote, of

their proposed candidacy (including those who are nominated as a candidate for President and Vice President), no later than thirty (30) days prior to date of the Election Meeting, and such individuals shall either accept or decline their nomination as a candidate, in writing, delivered to the Executive Director, no later than five (5) days after receipt of such notification. A list of eligible candidates who have accepted their nomination for election to the Board of Directors and who have accepted their nomination as either President or Vice President, shall be provided to the General Assembly by the Executive Director as part of the Agenda for the subject Annual Meeting, and no other candidates shall or may be considered unless the list of candidates contains less than seven (7) qualified individuals.

Those are the exact details of how the process works. If there are any questions at all, please contact the PAIMA office.

2022 JUAN PERALTA ECOLOGY AWARD

In memory of our distinguished colleague Juan Peralta, PAIMA created the "Juan Peralta Ecology Award". The Award, presented annually during the General Assembly at our convention,

represents PAIMA's commitment to ecological awareness and environmental responsibility. The PAIMA Member that best exhibits these qualities through education, commitment and environmentally-sound business practices, is awarded this prestigious honor.

The Ecology Award consists of a trophy with the winning company's name engraved upon it, and an exclusive feature article in our PAIMA Report Magazine. The Awards main purpose is to recognize that PAIMA Member who exceeds his colleagues' level of commitment in preserving and protecting the environment. It is also the goal of the Ecology Award to encourage other PAIMA Members, veterans and new members alike, to reach for a higher standard of awareness in protecting the environment. Furthermore, being a member of an Association essentially means being part of a learning and sharing community.

The Ecology Award helps to engender a helpful, compassionate industry through which its components - you, the moving company - are able to share the measures and procedures with your colleagues and together make a lasting contribution to help save planet Earth.

Please remember we encourage past years submissions that were not selected, to please update their application and resend it to the PAIMA office for review and consideration by your Board of Directors. YOUR company could be the winner in 2022!

If there are any questions at all, please contact the PAIMA office for expeditious clarification.
