HYATT REGENCY ORLANDO CONVENTION CENTER

THINGS TO DO WHILE IN ORLANDO IN 2021:

**"Albin Polasek Museum &
Sculpture Gardens" -
(picture on top)**

A recommendation well worth considering. With a collection of over 200 works by the award-winning, internationally recognized Czech-born sculptor "Albin Polasek", the museum not only offers a reprieve for art lovers but nature lovers as well. Located on beautiful Lake Osceola, the sculptor's home sits amid breathtaking grounds and is listed on the National Register of Historic Places.

Take a guided tour through the three-acre sculpture gardens, find serenity in the chapel, or simply linger and stroll along the tree-lined paths while enjoying one of Central Florida's spectacular sun-filled days.

For more information on this specific suggestion, please feel free to check out their website.

2021 JUAN PERALTA ECOLOGY AWARD

Why is our Juan Peralta Ecology Award so unique?

Here is a little history on the coveted award. In memory of our distinguished colleague Juan Peralta, PAIMA created the "Juan Peralta Ecology Award". The Award, presented annually during the General Assembly at our convention, represents PAIMA's commitment to ecological awareness and environmental responsibility. The PAIMA Member that best exhibits these qualities through education, commitment and environmentally-sound business practices; is awarded this prestigious honor.

The Ecology Award consists of a trophy with the winning company's name engraved upon it, and an exclusive feature article in our PAIMA Report Magazine. The Awards main purpose is to recognize that PAIMA Member who exceeds his colleagues' level of commitment in preserving and protecting the environment. It is also the goal of the Ecology Award to encourage other PAIMA Members, veterans and new members alike, to reach for a higher standard of awareness in protecting the environment. Furthermore, being a member of an Association essentially means being part of a learning and sharing community.

The Ecology Award helps to engender a helpful, compassionate industry through which its components - you, the moving company - are able to share the measures and procedures with your colleagues and together make a lasting contribution to help save planet Earth.

Please remember we encourage past years submissions that were not selected, to please update their application and resend it to the PAIMA office for review and consideration by our Board of Directors.

If there are any questions at all, please contact the PAIMA office for expeditious clarification.
