Our focus as always is on key networking and team building sessions during our busy and informative two day program. Since it will officially be "Halloween", any Members or guests that want to dress up in an "Olympic" theme, will be up for a prize during the evening! What creative ideas can you come up with? We will celebrate our traditional PAIMA Closing Dinner & Party on November 1st at Max Lager's Wood-Fired Grill & Brewery. This year for our PAIMA Closing Party, we selected a venue very close to the Hyatt Regency which will make it convenient for all to join the PAIMA family for dinner, drinks, and some dancing with a live DJ!

"ZOO ATLANTA "

(picture on top)

Zoo Atlanta was founded in 1889, when businessman George V. Gress purchased a bankrupt traveling circus and donated the animals to the city of Atlanta. City leaders opted to house the collection in Grant Park, which remains the zoo's present location.

Original residents of the zoo included a black bear, a raccoon, a jaguar, a hyena, a gazelle, a Mexican hog, lionesses, monkeys, and camels. The zoo's collection expanded in the 1930s with the personal donation of a private menagerie owned by Asa G. Candler, Jr..

The 1950s and 1960s were decades of renovation and construction at the zoo, but by the early 1970s, many of its exhibits and facilities were outdated and showing signs of

Following a period of decline in the mid-1980s, the zoo was privatized in 1985 with the creation of a nonprofit organization, Atlanta Fulton-County Zoo Inc., and was renamed Zoo Atlanta that same year. A 20-year period of aggressive restoration followed, marked by several high-profile exhibit openings, including The Ford African Rain Forest, in the late 1980s and early 1990s. A pair of giant pandas, Lun Lun and Yang Yang, made their debut at Zoo Atlanta in 1999.

"Zoo Atlanta" is located at:

PAIMA OFFICE NEWS:

ELECTION WATCH

2022

ELECTION YEAR 2022: **PAIMA BOARD OF DIRECTORS**

Thank you to the PAIMA Members that have expressed interest in being on our PAIMA Board of Directors Election Ballot later this year during our General Assembly.

We certainly thank our current PAIMA Board of Directors for their time and dedication, especially these last two "pandemic years" which have been a true test to all humanity. As per current PAIMA By-Laws, we traditionally hold bi-yearly elections for our PAIMA Board of Directors and as we have reported, this was not able to take place in 2020 nor 2021 due to the COVID-19 pandemic.

Any qualified Members that want to run for election are asked to send in their confirmation by August 26th, 2022. We look forward to holding our elections this year during our General Assembly. Active PAIMA Members will be given the opportunity to vote on the election of our PAIMA Board of Directors as well as on proposed PAIMA By-Law amendments. If there are any questions at all, please contact the PAIMA office for prompt clarification and guidance.

2022 JUAN PERALTA ECOLOGY AWARD

Please note that the deadline this year to submit an application for the Award is August 31st, 2022.

In memory of our distinguished colleague Juan Peralta, PAIMA created the "Juan Peralta Ecology Award". The Award, presented annually during the General Assembly at our convention, represents PAIMA's commitment to ecological awareness and environmental responsibility. The PAIMA Member that best exhibits these qualities through education, commitment and environmentally-sound business practices, is awarded this prestigious honor.

The Ecology Award consists of a trophy with the winning company's name engraved upon it, and an exclusive feature article in our PAIMA Report Magazine. The Awards main purpose is to recognize that PAIMA Member who exceeds his colleagues' level of commitment in preserving and protecting the environment. It is also the goal of the Ecology Award to encourage other PAIMA Members, veterans and new members alike, to reach for a higher standard of awareness in protecting the environment. Furthermore, being a member of an Association essentially means being part of a learning and sharing community.

The Ecology Award helps to engender a helpful, compassionate

industry through which its components - you, the moving company - are able to share the measures and procedures with your colleagues and together make a lasting contribution to help save planet Earth.

Please remember we encourage past years submissions that were not selected, to please update their application and resend it to the PAIMA office for review and consideration by your Board of Directors. YOUR company could be the winner in 2022!

If there are any questions at all, please contact the PAIMA office for expeditious clarification.
