

PAIMA POST - VOLUME 99

JUNE 2020

PAIMA 36TH ANNUAL CONVENTION CANCELLED DUE TO COVID-19 PANDEMIC

After countless hours of deliberation and consideration, the PAIMA Board of Directors along with the PAIMA office have reached the extremely difficult decision to cancel this year's convention in San Diego, California. The safety and well being of our PAIMA family and friends was determined to be the most important factor in this very tough decision.

Needless to say a plethora of other factors were also considered in reaching this conclusion. These factors included the economic impact this pandemic has had on our industry as

well as the costs associated with attending the conventions; the uncertainty of the social distancing guidelines that will be in place if conventions can be held in 2020; the inability to deliver a quality program based on the unknown pandemic guidelines today with our selected vendors in San Diego and current travel restrictions and travel challenges related to the pandemic itself were part of the topics discussed.

Another great uncertainty after multiple SurveyMonkey survey's, was the actual Member attendance count in order to have quorum for this year's meeting. Quorum is key as per PAIMA By-Laws in order to conduct our Board of Directors elections as well as having enough attending Members to vote on this year's By-Law amendment suggestions. The unknown attendance factor was also part of the decision making process which was discussed by the Board of Directors.

With all this said, please make note that the Board of Directors elections as well as possible By-Law amendments will be pushed back one year until our next PAIMA General Assembly during our PAIMA 37th Annual Convention in 2021.

Please also make note that due to the pandemic and to the unprecedented decision to cancel the convention this year, the PAIMA Board of Directors will not count the year 2020 towards the "2014 By-Law Amendment" which states that every PAIMA Member must be registered to attend an Annual Convention at least once every other year.

We certainly look forward to seeing all of you in 2021 for our PAIMA 37th Annual Convention in Orlando, Florida. We will do our utmost to provide an amazing convention in Orlando for all our PAIMA Members and friends.

THINGS TO DO WHILE IN ORLANDO IN 2021:

"Disney's Animal Kingdom" - (above)

Disney's Animal Kingdom is a zoological theme park at the Walt Disney World Resort in Bay Lake, Florida, near Orlando.

Owned and operated by The Walt Disney Company through its Parks, Experiences and Consumer Products division, it is estimated to be the largest theme park in the world, covering 580 acres (230 ha).

The park opened on "Earth Day" - April 22, 1998 and was the fourth theme park built at the resort. The park is dedicated and themed entirely around the natural environment and animal conservation, a philosophy that was once pioneered by Mr. Walt Disney himself and which was a philosophy close to his heart.

A highly recommended stop during your time in Orlando next year.

TONNAGE VERIFICATION **CONTINUES VIA EMAIL**

A reminder to all our PAIMA Members that we will continue with our "Tonnage Verification" process.

Our objective is to make sure that the tonnage entered into the tonnage portal has been reported accurately (this is the main intent of the tonnage verification process). Sometimes kilos are entered versus pounds (as required) which of course will provide inaccurate data and skew the final results.

We appreciate your cooperation which helps us ensure that the numbers being reported are being reported correctly.

JUAN PERALTA ECOLOGY AWARD

In memory of our distinguished colleague Juan Peralta, PAIMA created the "Juan Peralta Ecology Award". The Award, presented annually during the General Assembly at our convention, represents PAIMA's commitment to ecological awareness and environmental responsibility. The PAIMA Member that best exhibits these qualities through education, commitment and environmentally-sound business practices; is awarded this prestigious honor. The Ecology Award consists of a trophy with the winning company's name engraved upon it, and an exclusive feature article in our PAIMA Report Magazine.

The Awards main purpose is to recognize that PAIMA Member who exceeds his colleagues' level of commitment in preserving and protecting the environment. It is also the goal of the Ecology Award to encourage other PAIMA Members, veterans and new members alike, to reach for a higher standard of awareness in protecting the environment.

Furthermore, being a member of an Association essentially means being part of a learning and sharing community. The Ecology Award helps to engender a helpful, compassionate industry through which its components - you, the moving company - are able to share the measures and procedures with your colleagues and together make a lasting contribution to help save planet Earth.

Please remember we encourage past years submissions that were not selected, to please update their application and resend it to the PAIMA office. If there are any questions at all, please contact the PAIMA office for expeditious clarification.
