HAS BEEN MAILED.....TO MOST...

We are quite happy to report that our PAIMA Report Magazine, Issue I - 2020 has been officially mailed to the majority of our PAIMA Members. Due to the COVID -19 pandemic, some countries enacted mailing restrictions so some issues are on a "temporary hold" at the PAIMA office until the envelopes can officially be mailed. We will certainly keep you informed as the mailing restrictions are lifted.

Please do remember that you don't have to wait to receive the hard copy via mail, you can enjoy the most recent issue by clicking on the link below! We also remind you that PAIMA does keep a PDF copy of almost all our past PAIMA Report Magazines on our website. Take a peak at some past issues to see how PAIMA has grown and evolved over the years.

As always, a BIG welcome to the New PAIMA Members!

STANDARD MOVING INDUSTRY **SAFETY GUIDELINES AS BUSINESS OPENS UP:**

PAIMA is pleased to report that the overall worldwide response by PAIMA Members to uphold strict safety protocols during the reopening process taking place in some parts of the world has been very proactive and impressive. Below are some important highlights of general practices that have been put in place by some of our PAIMA Members that are worthy of sharing.

General practices such as:

1. "Pre-Move Risk Assessments" to ensure companies can work safely within all social distancing, health and hygiene guidelines.
2. "Proper Preparation" such as ensuring all company vehicles and equipment are disinfected prior to dispatch to customer residence.
3. "PPE = Personal Protection Equipment" - Protocols to ensure that all "PPE" supplies for all crews are on the vehicles, including:
Gloves
Face Masks
Face Visors
Sanitizer
Hand Wash
Anti-Bacterial Spray
4. "Crew and Client Protection Protocol": As a safety precaution, ensure all crew is temperature checked prior to commencing work.

What is your company doing? We encourage you to share your stories with us so we can highlight your specific strategies and actions in our next PAIMA Report Magazine! Please send your stories and pictures to the PAIMA office so we can share them with all in our PAIMA Report - August 2020 issue.

PAIMA continues to encourage all our PAIMA Members to stay in touch with each other so as the restrictions are lifted, we can start working together again with a focus on assisting each other within the PAIMA Association. Let's keep this strategy in mind as an Association for the benefit of all Members.

Wishing all of you health and safety from PAIMA.

PLEASE MARK YOUR CALENDAR FOR 2020:**PAIMA 36TH ANNUAL CONVENTION
OCTOBER 18TH - OCTOBER 20TH, 2020
SAN DIEGO, CALIFORNIA - USA**

The PAIMA Board of Directors along with the PAIMA office continues to monitor the COVID - 19 pandemic around the world. We are working with our selected vendors in San Diego to monitor the development of events with the hopes of being able to hold our convention in October.

We will be sending out another MonkeySurvey in June to gauge where our Member base is at regarding attending the conventions later this year. Our intent of course is to ensure the safety and well being of all our PAIMA Members.

More specific convention details will be reported immediately as they become available.

THINGS TO DO WHILE IN SAN DIEGO IN 2020:**"BALBOA PARK - Alcazar Garden" - (above)**

Balboa Park is a 1,200-acre (490 ha) urban cultural park not far from the hotel in San Diego. In addition to open space areas, natural vegetation zones, green belts, gardens and walking paths, it contains museums, several theaters and the

world-famous San Diego Zoo that we mentioned as a must see in our October PAIMA Post Newsletter.

There are also many recreational facilities and several gift shops and restaurants within the boundaries of the park. Balboa Park was placed in reserve back in 1835 and the park's site is one of the oldest in the United States dedicated to public recreational use. Balboa Park is a complete adventure worth exploring and certainly a must see when in San Diego.

Balboa Park is located not far from downtown San Diego.

Another highly recommended stop during your time in San Diego this year.

**TONNAGE VERIFICATION
CONTINUES VIA EMAIL**

A reminder to all our PAIMA Members that we will continue with our "Tonnage Verification" process.

Our objective is to make sure that the tonnage entered into the tonnage portal has been reported accurately (this is the main intent of the tonnage verification process). Sometimes kilos are entered versus pounds (as required) which of course will provide inaccurate data and skew the final results.

We appreciate your cooperation which helps us ensure that the numbers being reported are being reported correctly.
