March 2023

PAIMA - TORONTO 2023 SITE INSPECTION COMPLETED LAST MONTH WITH OUR FRIENDS AT IAM

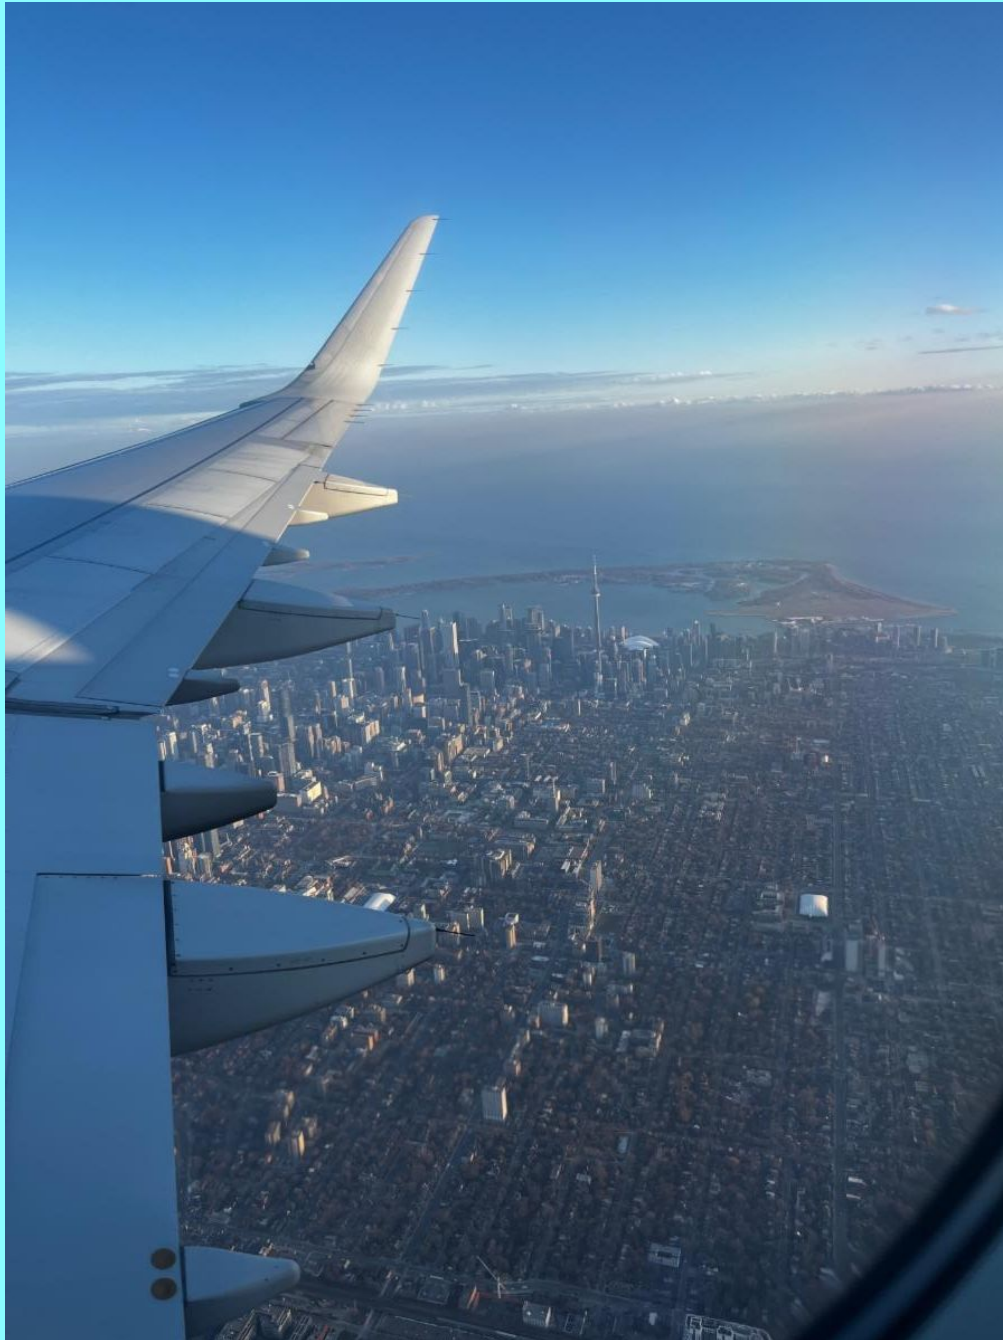

The PAIMA office is happy to report that the official Toronto 2023 site inspection took place mid February last month along with our friends from IAM. The first time impression and general consensus is....Toronto certainly has "A LOT" to offer.

We wanted to thank once again our PAIMA Members from Canada for their help and assistance in pointing out multiple amazing locations and venues in the Toronto downtown area. One of our strategies this year was to identify potential venues that were within walking distance of the selected hotel properties. This assists with one of our multiple sustainability efforts by reducing additional bus transportation needs.

Our PAIMA Board of Directors will be coming into the PAIMA office next month to review the identified options and make final selections for this year's convention in Toronto.

If you have any questions at all, please use the link below to contact the PAIMA office.

TRAVEL VISA FOR TORONTO UPDATE

We have been advising that getting a Visa for Canada (for some countries) might take some time and efforts so please get an early start on the visa process so you can attend our PAIMA Convention later this year in Toronto.

PAIMA is in the final process of registering our PAIMA convention with the "CBSA" (Canadian Boarder Services

Agency) which should assist those countries that have more stringent visa requirements. The PAIMA office will also be more than happy to send an official invitation letter as many have you already have requested. If you need an official invitation, please contact the PAIMA office. See you all in Toronto!

2023 JUAN PERALTA ECOLOGY AWARD

We would like to ask YOU to showcase your environmental, ecological and sustainability efforts!

In memory of our distinguished PAIMA colleague Juan Peralta, PAIMA created the "Juan Peralta Ecology Award".

The Award, presented annually during the General Assembly at our convention, represents PAIMA's commitment to ecological awareness and environmental responsibility. The PAIMA Member that best exhibits these qualities through education, commitment and environmentally-sound business practices, is awarded this prestigious honor.

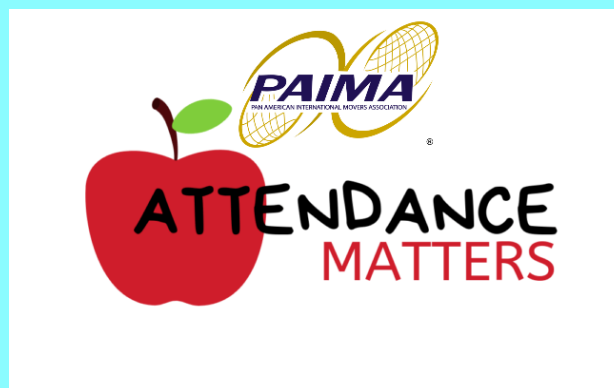

The Ecology Award consists of a trophy with the winning company's name engraved upon it, and an exclusive feature article in our PAIMA Report Magazine. The Awards main purpose is to recognize that PAIMA Member who exceeds his colleagues' level of commitment in preserving and protecting the environment. It is also the goal of the Ecology Award to encourage other PAIMA Members, veterans and new members alike, to reach for a higher standard of awareness in protecting the environment. Furthermore, being a member of an Association essentially means being part of a learning and sharing community. The Ecology Award helps to engender a helpful, compassionate industry through which its components - you, the moving company - are able to share the measures and procedures with your colleagues and together make a lasting contribution to help save planet Earth.

Please remember we encourage past years submissions that were not selected, to please update their application and resend it to the PAIMA office for review and consideration by your Board of Directors. YOUR company could be the winner in 2023.
