PAIMA OFFICE NEWS:

2021 JUAN PERALTA ECOLOGY AWARD

Another round of applause for our PAIMA Members that submitted their applications for the 2020 Juan Peralta Ecology Award! Kudos again to our "2020 Juan Peralta Ecology Award Winner" - NFB International Relocations AS in Norway!

Here is a little history on this unique award. In memory of our distinguished colleague Juan Peralta, PAIMA created the "Juan Peralta Ecology Award". The Award, presented annually during the General Assembly at our convention, represents PAIMA's commitment to ecological awareness and environmental responsibility. The PAIMA Member that best exhibits these qualities through education, commitment and environmentally-sound business practices; is awarded this prestigious honor.

The Ecology Award consists of a trophy with the winning company's name engraved upon it, and an exclusive feature article in our PAIMA Report Magazine. The Awards main purpose is to recognize that PAIMA Member who exceeds his colleagues' level of commitment in preserving and protecting the environment. It is also the goal of the Ecology Award to encourage other PAIMA Members, veterans and new members alike, to reach for a higher standard of awareness in protecting the environment. Furthermore, being a member of an Association essentially means being part of a learning and sharing community.

The Ecology Award helps to engender a helpful, compassionate industry through which its components - you, the moving company - are able to

**share the measures and procedures with your colleagues and together
make a lasting contribution to help save planet Earth.**

**Please remember we encourage past years submissions that were not
selected, to please update their application and resend it to the PAIMA
office for review and consideration by our Board of Directors.**

**If there are any questions at all, please contact the PAIMA office for
expeditious clarification.**
