PAIMA MEMBER - GROUP/NETWORKING

DINNER OUTING A SUCCESS IN ORLANDO

PAIMA was extremely happy to host a small PAIMA Member networking outing in Orlando this past October 12th for PAIMA Members that were fortunate enough to attend this years IAM - 2021 Convention in Orlando. Despite having to cancel our PAIMA 2021 Convention in Orlando due to the pandemic and the multiple factors we have communicated to our Members, the PAIMA Board of Directors along with the PAIMA office felt that it was quite important to maintain a presence at IAM this year after having to cancel our 2020 and 2021 conventions.

Part of this decision was tied into closely monitoring the IAM Attendee List aiming to identify PAIMA Members that might be fortunate enough to attend the IAM Convention this year.

Another part of the decision was to support our sister Association - IAM; as they had contractual obligations to meet and PAIMA stepped forward to support and participate. Inter-Association collaboration is quite important when possible and it is part of PAIMA's mission to help and support.

We certainly MISSED all of our PAIMA Members that were not able to attend and we thank the PAIMA Members that set aside a little time to get together with our attending PAIMA family Members. We very much look forward to seeing all of you in Seattle, Washington in 2022!

Please find below some photographs from our small networking event in Orlando that we held on October 12th from 7:00 - 9:00 PM in Orlando, Florida. Thank you to our attending PAIMA family Members, it was great seeing you in person.
