

PAIMA POST - VOLUME 90

September 2019

TWO WEEKS AND COUNTING: PAIMA 35TH ANNUAL CONVENTION - CHICAGO

We have an amazing program for our PAIMA 35th Annual Convention in Chicago this year. From our educational and informative General Assembly sessions to a variety of team building and networking activities which are aimed at bringing together the PAIMA family in "The Windy City"!

As the majority of you already know, our annual PAIMA Convention is one of the HUGE value adds of being a PAIMA Member. We consider one of our main benefits to be

the professional relationships that you can develop into true partnerships during our annual convention. So if you do not attend on a consistent basis, you are missing out on this key opportunity to extrapolate the most out of your PAIMA membership.

Beyond the professional relationships you can develop during our three day convention, you also get to shape the Association By-Laws as there are usually some proposals presented by the PAIMA Board of Directors and the PAIMA office which are aimed to further strengthen the Associations rules and regulations as a whole. If you do not attend consistently, you are also missing out on the potential to cast your vote for proposed amendments to the By-Laws. Any amendment of course is put forth for a majority vote during the General Assembly to either pass , or not pass.

With that in mind, we remind all our Members of the By-Law amendment that was passed by majority vote in 2014:
"PAIMA Members must be registered to attend an Annual Convention at least once every other year."

It is not too late, there still is time! Register today to make sure your name and your company name are listed in this year's "Attendee List". You must move fast as we are printing out the convention folder "Attendee List" early next week so all the convention documents can be sent to Chicago from our office.

The current "Attendee List" and ALL convention information can be found on the link below:

THINGS TO DO WHILE IN CHICAGO:

The "Chicago History Museum" - (above)

The Chicago History Museum was founded in 1856 to study and interpret Chicago's amazing history.

The museum explores both Chicago and American history. Exhibitions draw primarily on the museum's own collection, which numbers approximately 22 million holdings. The "Chicago: Crossroads of America" is a 16,000-square-foot space that explores the city's development and its relationship to and influence on American history.

It is located in Lincoln Park at 1601 North Clark Street at the intersection of North Avenue in the Old Town Triangle neighborhood.

It is another highly recommended stop during your time in Chicago.

Next month, The PAIMA office will start to provide monthly ideas of things to do while in San Diego next year for our PAIMA 36th Annual Convention!
