

JOIN THE PAIMA FAMILY IN 2024

This year, our Pan American International Movers Association (PAIMA) will be celebrating her 40th Anniversary and we have never been stronger; it is certainly a great time to join our exclusive network of fully vetted international moving companies and selected suppliers.

PAIMA was founded in 1984 and now has over 165 members represented in more than 55 countries around the world. We are looking to add new members that meet or exceed our standards, especially in countries with no members yet, around the world. Our mission is "quality, not quantity".

- All Active Members have a vote during our General Assembly and in the General Bi-yearly Election.
- On-line tonnage reporting system to encourage tonnage exchange amongst members.
- Exclusive Members Only - "PAIMA - Tradewing Community Platform" (PTCP) - cutting edge technology platform for Members knowledge exchange and "real time" communication.
- "Workshops" - Informational and educational workshops are held on PTCP platform for free for all members.

Opportunity to speak on stage and introduce your company during the Convention.

ANNUAL CONVENTION

Members continually rate our Annual Convention as one of the most valued assets of their membership. Since all our attendees stay together for the entire event, this relaxed family atmosphere leads to lasting relationships and true partnerships. During our networking events, you will meet the owners and managers of the companies you work with along with many new contacts.

- PAIMA's Annual Convention is held during the three days immediately before the IAM Annual Meeting, always in the same city, which reduces travel expenses.
- Awards for Highest Tonnage Reporting in each of seven Regions are excellent marketing tools to share with business partners and prospective clients.
 - Ecology Award presented to Member active in protecting/sustaining the environment.
 - Annual Customs Panel highlights different countries each year with open Q&A session.
- PAIMA "One-To-One" Networking Sessions – Nine 20-minute meetings with selected agents
